Residents of Elk River Senior Living

Would you be interested in sponsoring a flower box this summer? This can be a fun activity for residents along with their family.

How the sponsoring works is you would get to use one of the boxes that are on the property.

You would purchase the flowers and plant them by May 23rd.

Staff will see that the boxes are ready for planting and will water throughout the summer. Each box will have a sign stating who sponsored that box. If you're interested in sponsoring a box or helping plant in the boxes that are not sponsored, please see Darlene, Life Enrichment Director

in May of 1868, the Grand Army of the Republic established its own day of recognition they called Decoration Day. May 30 was selected because flowers would be plentiful, and the purpose of the original holiday was to encourage people to decorate graves of the fallen soldiers with flowers. The first official Decoration Day was held at Arlington National Cemetery. In the years after, Decoration Day became more and more popular, although people found themselves preferring to call the date "Memorial Day." By the 1900s, Memorial Day ceremonies were being held in every state. States individually designated May 30 as the holiday's date, and the military adopted regulations for proper observance. For many years, Memorial Day was limited to mourning those who had died in the Civil War. However, when World War I ended, the day was expanded to honor all who died in any American war. With each war thereafter, the public commitment to Memorial Day increased, and in 1971, the day was made into a national holiday by an act of Congress. The date was changed slightly, so that it would always fall on the last Monday in May. In 2000, "The National Moment of Remembrance Act" was passed, which essentially was a way to create a network that would coordinate and encourage all Americans to pause, wherever they may be, for a full minute at 3 p.m. on Memorial Day. It is during this moment of reflection that citizens are encouraged to remember and honor those who have died in service.

"Did you know we have a guest apartment at Elk River
Senior Living? If you have out of town guests that need a
place to stay, it is a comfortable, affordable, and
convenient alternative to a hotel. The apartment is
\$75/night and includes continental breakfast. See the
front desk if you're interested in reserving it."
